Flaming Monkeys

Our first game on the Saturday was against Greenstar which was 4-4 we all knew we could play better and that this should have been maximum points. Flaming Monkeys was our next match with some good advice from Ray and James we knew we could play better. The final score was 13-0 to Taunton and we played well as a unit although we knew the opposition had only recently started playing as Bristol Uni Ladies. Our next match up was St Albans and we knew this was going to be more of a challenge. The score was 4-2 to Taunton. Last game of the day was against Letchworth and we lost 4-0. This placed us 3rd in our group meaning on Sunday we would be playing for 9th-12th position.

We played Pennine B first on the Sunday and lost 5-2. This made us more determined to win our final game which would be against Blackwater B which was a competitive match finishing 5-4 to Taunton. We finished 11th in this Tournament.

Thank you again to James for refereeing and organising the tournaments over the summer. I enjoyed both tournaments and learnt lots from the experience. I look forward to the up and coming season.
